

King Charles DEAD... Forever and Ever!

King Charles was found dead today under suspicious circumstances when the local constable was summoned to his keep by neighbors to investigate a strange odor.

He was born the bastard child of Katherine Douglas and St Bella. Not knowing the proper spelling of his father's surname, she gave him her own. He joined the service of King Stephan and Dame Katiana at age 29 and worked his way

through the ranks while fighting in many wars, including the infamous Clan revolt in the battle for the Holy Chest of Yorba Linda.

He became a Knight Bachelor in 1997 and Knight Bannerette 10 years later. He led the army for Dame Clair and Sir Derfal in the Southwest region where we were victorious. He was crowned King of Terre Neuve April 25, 2009. During his short reign as

King, he led the alliance that won the Southwest Banner War and flew the banner in Terre Neuve for 6 months.

He will also be remembered for successfully removing the Church of Adria from Terre Neuve during his reign.

Having no direct descendants in line for rule, he leaves Sir Hamish and Dame Gemma, his heirs, the thrones.

WAS IT MURDER?

- ◆ Australian Ambassador leaves under mysterious circumstances.
- ◆ Suspicious archer seen on grassy knoll
- ◆ Sir Burke of course is suspect
- ◆ Umbrians declare "We're going to Disneyland!"

Long Live Their Majesties King Hamish and Queen Gemma!

Unto the Glorious Kingdom of Terre Neuve!

We would like to again thank the entire Kingdom for their efforts and hard work that brought us here today.

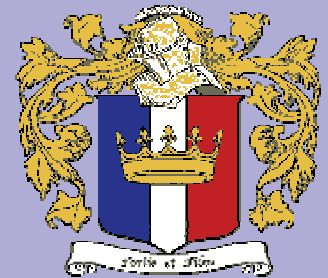

We are deeply honored that you have entrusted us with the responsibilities of serving as your Crowns for the coming year.

We have met with our ministers and planned out a fun and exciting calendar full of interesting events and activities.

With every event we want to strive to stay true to "the dream". To create and maintain the air of pageantry and respect for each other that first attracted us to this game. To provide ourselves the outlet to display our creativity in the arts and chivalry in combat and archery.

As our purpose states "*We endeavor to enlighten our communities by providing a mechanism to explore the lifestyles and societies of the period of history commonly referred to as The Age of Chivalry.*"

To that end we hope that you will play the game, have fun and attract others to play with us.

Sir Burke Duncan Campbell Wins National Steel Tourney

WHEN ASKED TO
COMMENT ABOUT
HIS WIN,

SIR BURKE SAID,
“ DAMMIIITT GIVE
ME A GUINNESS!!”

His Imperial Highness, Sir Jason Barca (left) fighting Sir Burke Duncan Campbell (right).

The National Steel Invitational was held at the Las Vegas Renaissance Faire in Las Vegas Nevada on October 10, 2009.

Fighters were invited from across the country to compete. Spectators were awed by the clash of steel swords and shields.

Sir Burke Duncan Campbell emerged victorious amongst tough competition from across the land. His victory and prowess on the field struck fear into the hearts of all the competitors. All now fear the combatants of Terre Neuve.

Congratulations to Sir Burke.

Hazzah!
