

Parting is such Sweet Sorrow...

The Past is Prologue... that was our motto coming into this reign. We truly love this Kingdom and put everything we have into making it as mighty as it can be. But all of this comes at a price and with the help of others and for this we owe our thanks. To our friends and families thank you for listening to and supporting us and giving up so much time to allow us to run this wonderful Kingdom. To our ministers we thank you. You are what has made all the accomplish-

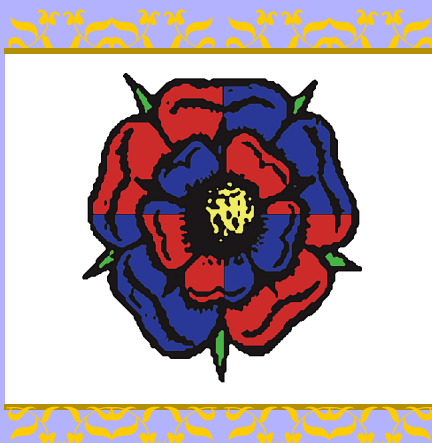

ments this year possible and are the backbone of the Kingdom. Finally to the Goode Populous we love so dearly, we thank thee for the honor to serve as your crowns.

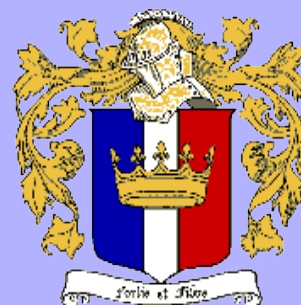

Much as our time on this earth is limited, so is our time on the thrones. And so, "Now go we in content to liberty, and not to banishment."
