

THE SWORD AND QUILL

AUGUST 2010

Goode People of Terre Neuve,

This Fire Feast edition of the Sword and Quill marks the end of a very busy couple of months. Terre Neuve has had the Coronado Parade and Death March, four days of Comic Con demos, an Imperial Estates meeting, a triple Archery Tournament to boot. all of this work and toil on the part of this populous we still had a good number of fighters attend the Water War in Esperance. has added up to seven weeks with only one weekend that did not have an event planned. is what makes Terre Neuve so strong and makes her the premier Kingdom in the Empire. is our strength in arms, our craftsmanship in arts, our accuracy in Archery and the resilience and strength of our Ministers and populous that makes all of this possible.

Queen Gemma and I are honored to be part of Terre Neuve and want to thank you all for making these events so successful. would also like to congratulate Sir Charles on his posthumous retirement title as granted by the Estates Royal.

This month at Fire Feast we are renewing the Letter of Marque with the Corsairs. this navy supporting our already formidable army all of Terre Neuve's enemies shall quiver with fear. this event Queen Gemma and I shall also be naming our Arts Champion and we will be giving our special awards to the Steel, Ren, and Shinai winners of the day. the Tournament in the evening Terre Neuve will be hosting our Fire Feast with food and friends. there will be bardics and storytelling around the fire till late in the evening. We look forward to the upcoming Imperial War in September and Great Pumpkin Event in Balboa Park in October.

Your Benevolent Crowns,
King Hamish and Queen Gemma
